Dear Friends,

Who would have thought of THE TRINITY only God? When the early Fathers of the church tried to talk about their experience of God, they found it difficult but that didn't put them off.

The knew God from Creation, the experienced God in Jesus, God in human form and they experienced God among them as the power of love! So they spoke of God as TRINITY, and yet God is one. They saw in the heart of God a dance, giving and receiving. The TRINITY is very much like our families, we are part of one family not everything is neatly tied up but we are all giving and taking imitating the family of God.

God bless Anam & Jerry
